

Extra Sorted Shipments

Addressed DM | Letter Shipment | Periodicals

When dropping off at least 120,001 Sorted ADM, Sorted Letter Shipment or Sorted Periodicals shipment items, the sender has the option of carrying out extra sorting to receive a price discount.

3. The sender or agent agrees with PostNord's customer solution specialists on how the items are to be packed (bundle/crate/pallet).

The following are required for dropping off Extra Sorted Shipments:

- at least 120,001 shipment items to normal price areas or at least 120,001 shipment items to low price areas
- cooperation with PostNord's customer solution specialists
- The submitter must prove sorting with a report from the customer sorting program that displays the number of items per zip code

The shipment should be prepared according to the following instructions:

1. Sort the items in alphabetical order by street name and odd and even street numbers in ascending order within each address block. In order to facilitate packing and labelling of bundle/box there should be a HN-code printed on the address of the carrier to the right of the recipient.
2. The volumes are addressed to each distribution office. The bundles/crates/pallets with items can be sent to one or more address blocks, depending on quantity, weight, format and design.
