Registered Mail 2 000 – liability up to SEK 2,000. Registered Mail 10 000 liability up to SEK 10,000. Currency, notes and coins may not be sent using Registered Mail 2 000 or Registered Mail 10 000. Means of payment may not be sent using Registered Mail 10 000.
If you breach the content regulations, for example by sending contents with a market value that is too high, no compensation will be paid for damaged or lost items.

Additional Services
Registered

Service	Price
Proof of Receipt	28.75

Proof of Receipt can be combined with Registered Mail 2 000 and Registered 10 000.

Dimensions – letters

Dimensions (mm)	Flat surface	Rolled items
Minimum	W x L = 90 x 140	L = 100, L + DD= 170
Maximum	L = 600, B + L + T= 900	L = 900, L + DD = 1,040

If more than one condition is stated, all conditions must be met.
L = length, W = width, T = thickness, C = circumference, D = diameter, DD = 2 x diameter.

If you send a letter with insufficient postage, PostNord will normally forward the letter to the recipient if sender details are provided. We will send an invoice for the missing postage plus an administrative charge to the sender.
