

Flight surcharge 2022

Flight surcharge

22 April 2022
Sida 1/2

As a result of Covid-19 and the pandemic that has affected the whole world, air transport capacity has decreased and transport costs outside Europe have increased.

Against that background, PostNord will for a limited period from January 1, 2021 apply a flight surcharge for certain destinations.

PostNord is applying the conditions for surcharge, which may be found in the General Terms and Conditions (PAKN) in PostNord's customer agreement.

The flight surcharge will be based on the weight of the item and will be applied to these services and countries:

Current flight surcharge from 1 May

Information regarding the current level of surcharges is updated at the end of each month in this document. also see postnord.se/priser.

All prices are stated in Swedish kronor and are exclusive of VAT.
