

Denmark

PostNord gives you access to flexible loading and unloading times and a simple door-to-door concept. We handle everything from individual transports to complex logistics solutions and direct deliveries from sender to recipient, without terminal handling.

Consignment instructions

Part loads (<2500 kg). Part and full loads (2500–30 000 kg). Special terms and conditions apply for consignments that exceed these weights and freight with dimensions exceeding 6 m in length, 2.45 m in breadth, and 2.4 m in height. See a Iso Transport Terms & Conditions.

Booking instructions

Transports can be booked online, via EDI or email, a minimum of 24 hrs before planned collection. Part loads booked by 11 a.m. will be collected and shipped on the same day within the terminal locations. In other locations, shipment will occur the following day.

Liability: NSAB 2015

Weight and volume instructions

1 load meter = 2 000 kg
1 cubic meter = 333 kg/m³

Lead times

The following terminal departures are for part loads. Full loads and groupage are loaded Monday–Friday (not public holidays). The lead times apply from the last terminal out to the first terminal in, within Sweden.
