

Netherlands

PostNord gives you access to flexible loading and unloading times and a simple door-to-door concept. We handle everything from individual transports to complex logistics solutions and direct deliveries from sender to recipient, without terminal handling.

Booking instructions

Transports can be booked online, via EDI or email, a minimum of 24 hrs before planned collection. Part loads booked by 11 a.m. will be collected and shipped on the same day within the terminal locations. In other locations, shipment will occur the following day.

Liability: NSAB 2015

Weight and volume instructions

1 load meter = 1 850 kg
 1 cubic meter = 333 kg/m³
 1 pallet space = 740 kg

Maximum dimensions
