

Turkey

PostNord gives you access to flexible loading and unloading times and a simple door-to-door concept. We handle everything from individual transports to complex logistics solutions and direct deliveries from sender to recipient, without terminal handling.

Booking instructions

Transports can be booked online, via EDI or email, a minimum of 24 hrs before planned collection. Part loads booked by 11 a.m. will be collected and shipped on the same day within the terminal locations. In other locations, shipment will occur the following day.

Liability: NSAB 2015

Weight and volume instructions Maximum dimensions

1 load meter = 1 850 kg	Length 6 m
1 cubic meter = 333 kg/m ³	Breadth 2.4 m
1 pallet space = 740 kg	Height 2.65 m

Lead times

The following terminal departures are for part loads. Full loads and groupage are loaded Monday–Friday (not public holidays). The lead times apply from the last terminal out to the first terminal in, within Sweden.

Export from	Monday	Tuesday	Wednesday	Thursday	Friday	Terminal	Lead times
Malmö					x	Antalya	6-8 working days

Import from	Monday	Tuesday	Wednesday	Thursday	Friday	Terminal	Lead times
Antalya					x	Malmö	6-8 working days
